VOLUNTEER MENU

ABOUT US

Nevada Food at First is a free meal program that started in Spring 2009 to care for those who hunger. Households order carry-out meals for pick up at Neighborhood Meal Stop locations in Eastern Story County. Beginning Monday, October 6, new meal stops will be located at Collins-Maxwell Elementary School and Collins-Maxwell Middle/High School.

VOLUNTEER SPECIALS

We welcome individuals, households, and groups of volunteers to help address food insecurity. Volunteers of all ages are welcome! Scheduling is organized by the position of the day in each month (i.e. 1st/3rd Mondays). Everyone associated with Nevada Food at First builds relationships and genuinely care for their neighbors by making free meals available on Mondays and Thursdays.

EXTRAS

Food Rescue Volunteers

Volunteers go to stores, including Dollar Fresh, Dollar General, and DG Market in Nevada and Crumbl cookies in Ames, to receive donated food that would otherwise be thrown away. This food is used to prepare the free carry-out meals twice a week and is distributed to Eastern Story County school and community food pantries. Food rescue volunteers are scheduled by day and time (i.e. Wednesdays at 10:30 AM) for 60-90 minutes.

Volunteers with Specific Skills

Volunteers with vital business, food science, legal, and administrative skills are needed to support this local food access system. Contact us to learn which skills are most essential at this time.
